

## LEARNING THROUGH COLLABORATION

Who are three people in the class that you **work with regularly**?

What is a quality about each person that you most **admire**?

How has each person's skills **inspired** you in some way?

Who are three people in this class that you've **never worked with**?

What is one quality about each person that **inspires** you most?

What is one attribute of each person that you most **admire**?
